**What is anarchism?** Fundamentally, anarchism is the struggle for freedom. Freedom from the rulers and corporations who dominate our lives and are destroying our earth. Freedom for workers, women, and all oppressed people in all parts of the world. Anarchists believe that this sort of freedom can only be achieved together with equality and a fair distribution of resources.

Anarchists believe in the inherent dignity and humanity of the individual. But this dignity and humanity can only be fully realised in a co-operative, egalitarian society. This is why we are in favour of working together collectively and being organised. Anarchism is not individualism or chaos.

Anarchists suggest that this truly free and equal society will only be achieved through revolution – meaning a complete transformation of society. This transformation cannot be ‘given’ to the people by politicians or bureaucrats. It must be built from below.

**Anarchist summer school** will be three days of workshops and forums on different aspects of anarchist theory and practice. Including:

> Tours of Jura Books and Black Rose books, anarchist spaces in Sydney.

> Workshops on how to move towards an anarchist society, mythbusting about Anarchism, post-colonial anarchism and anarchist people of color politics, Marx’s Capital, Anarchism and approaches to education, French anarchistic thought, insurrectionary anarchism, Anarchist ‘spaces’, Anarchism and Environment....and more!

> On the final day of Summer School, we invite anarchist groups and collectives to an assembly on the Anarchist movement in Australia, to exchange ideas and ways of working together

> Film night, delicious vegan lunches and party!
